

COVID TEST SITES – 5/2/22 UPDATE – CHANGES NOTED IN RED
CONNECTICUT LOCATIONS

COVID-19 TEST LOCATION – WEBSITE

United Way 211, in collaboration with the State, maintains a list of all of the testing sites, and posts them on 211ct.org/covidtesting. There are a variety of filters and search functions available under “Filter These Results” that can help you find a site that makes sense for you.

Many walk-up and drive-up test sites are closing, now that at-home test kits are easily available. Tests can be scheduled with pharmacies such as CVS & Walgreens or at urgent care centers.
