

**COVID TEST SITES – 10/31/22 UPDATE – CHANGES NOTED IN RED**  
**CONNECTICUT LOCATIONS**

**COVID-19 TEST LOCATION – WEBSITE**

United Way 211, in collaboration with the State, maintains a list of all of the testing sites, and posts them on [211ct.org/covidtesting](https://211ct.org/covidtesting). There are a variety of filters and search functions available under “Filter These Results” that can help you find a site that makes sense for you.

Many walk-up and drive-up test sites have closed now that at-home test kits are easily available. Tests can be scheduled with pharmacies such as CVS & Walgreens or at urgent care centers.
